Overview:

The world's #1 tourist destination with 84 million visitors annually, France is endlessly alluring: the food and wine, the iconic landscapes, the inimitable style, the sheer romance. And with full-color photographs by Steven Rothfeld and knowledgeable text by Patricia Wells, 365 DAYS IN FRANCE immerses the Francophile in twelve distinctive regions. The blue waters and famously briny oysters of Brittany. The Cote d'Azur, from glitzy St. Tropez to the vineyards of Ramatuelle. The Catalan area of Pyrenees Orientales, where the sun shines 320 days out of the year. And, of course, the sights and myriad delights of Paris: the pyramid of the Louvre, the bustle of Les Halles, a stroll through the gardens of the Palais Royale. Escape to France with every glance.
