Synopsis:

Descendants 2 fans will adore this all-new Spell Book.

When Mal first got to Auradon, she used her spell book to try and destroy the place, and then she used it to fit in there. And then it fell into the wrong hands. . . Or should we say tentacles?

This spell book has been completely updated with fresh spells, plus brand new comments, photos, and inside information from villain kids Mal, Evie, Jay, Carlos. . . and Uma. This is the next chapter in their story.
