Plot:

Why do whales jump out of water? What makes our bodies move? Guess What! has the answers. This six-level primary course invites children to explore the world through engaging facts, amazing photography and captivating video. The highly photographic Pupil's Book brings lessons to life with engaging characters, topics that spark children's curiosity, and a wide variety of activities, including humorous contextual dialogues, songs, chants, games, stories illustrating social values, functional dialogues, and role play. There are plenty of opportunities for developing children's thinking skills and their knowledge of other subjects in the CLIL lessons.
