Book Synopsis:

Junior's Giants is a humorous and uplifting series that is entertaining and great to watch as a family. Using imaginative storytelling and unique characters to introduce biblical themes to young audiences, this three DVD set follows the spiky-haired Junior Anderson as he learns moral lessons and conquers his giants with the help of family, friends, prayer, and Scripture. This series includes Junior's entertaining and educational battles with his temper (Anger's Everywhere), his jealousy (Envy Thou Not), and his dishonesty (Nothing But the Truth).
