Overview:

'Knitbot Linen' is a collection of knitting patterns for six unstructured warmer weather knits from designer Hannah Fettig. In addition to her signature designs, Hannah offers tips on knitting with linen and caring for your finished linen garments.

Additional Information:

About Hannah Fettig

Hannah Fettig designs knitwear in Portland, Maine. She has published multiple books, including the smash hit "Coastal""Knits." Her work has also appeared in magazines and collaborative collections. She is cohost of the podcast knit.fm.

Review quote

"I am really impressed by the range of sizes...there's very little that Hannah does that I don't get excited about. These are memorable pieces that can be worn every day." --Knitmore Girls Podcast, Episode 255
