Book Synopsis:

It takes nothing short of a miracle to catapult Lt. Torolf Magnusson and his team of Navy SEALs back in time to the eleventh-century Norselands. First on the agenda: destroy the evil villain who terrorized his family and a nation.

But when the sexy SEALs find they've landed in the middle of a sanctuary—filled with women—well, hoo-yah! Their plans are put on hold, much to the distress of Hilda, the head of the sanctuary. At first resistant to Torolf's pursuits, she soon succumbs to his passionate advances. Suddenly the term "Special Forces" takes on a whole new meaning. But with victory in sight for Torolf, Hilda must face the fact that their love may not survive the test of time...
