Plot:

With more than 12 million viewers in the US now tuning in to watch the latest episodes of the Duck Dynasty, and a growing cult following in the UK and around the world, there is sure to be an eager audience for this wonderful volume from the Ducks' favourite uncle. Si is the wise-cracking, tea-drinking uncle of the Robertson clan. His book showcases his unique, often weirdly true (if somewhat nonsensical) sayings about life, ducks and everything in between. He talks about his off-screen family members, including his wife and children, to provide a new insight to the wider Robertson world and give a revealing glimpse into his life and times - something that is sure to delight his millions of fans. In a world that is often made more complicated than it needs to be, the Robertsons show that there is another way to achieve peace and happiness. With more than a million copies already sold in the US, where it has been a No 1 bestseller, Si-Cology 1 is the perfect gift for all fans of the Duck Dynasty.
