Language: *Arabic*

Illustrations note: *Illustrations, black and white*

Overview:

"Tantra - Discovering the Power of Pre-Organismic Sex" is a common-sense guide on how to utilize sexuality to complement a full-scope system of yoga practices. Practical techniques are provided which enable both couples and solo practitioners to utilize the sexual response to cultivate ecstatic energy to its highest levels of spiritual manifestation. Finally, here is a no-nonsense book that takes the mystery out of sexuality and its relationship to yoga and the spiritual path. Yogani is the author of ground-breaking books on highly effective spiritual practices, including: Advanced Yoga Practices - Easy Lessons for Ecstatic Living (two comprehensive user-friendly textbooks), and The Secrets of Wilder, a powerful spiritual novel. The "AYP Enlightenment Series" makes these profound practices available for the first time in a series of concise instruction books. "Tantra" is the third book in the series. The second in the series is "Spinal Breathing Pranayama - Journey to inner Space." The first is "Deep Meditation - Pathway to Personal Freedom."
