Description:

Written by a catlover for catlovers, Tanya's Comprehensive Guide to Feline Chronic Kidney Disease provides a complete guide to caring for your cat at a time when he or she needs your help the most. Helen Fitzsimons knows just what you and your cat are going through: combining sympathy with understanding, she brings a wealth of knowledge and research to bear on helping you through your chronic kidney disease journey. Most of all, she gives you hope. All the information you need is in this book which, comprehensive and detailed though it is, is easily accessible through being written in lay-person's language. The chapter on where to obtain supplies at reasonable prices in the USA, UK and Canada alone makes the book worth buying.
