Synopsis:

As a commander of Delta Force--the most elite counterterrorist organization in the world--Pete Blaber took part in some of the most dangerous, controversial, and significant military and political events of our time. Now he takes his intimate knowledge of warfare--and the heart, mind, and spirit it takes to win--and moves his focus from the combat zone to civilian life. As the smoke clears from exciting stories about never-before-revealed top-secret missions that were executed all over the globe, readers will emerge wiser, more capable, and more ready for life's personal victories than they ever thought possible.
