## Description:

Read this sensational mystery bestseller before you watch the 13-part Netflix series, executive produced by Selena Gomez. You can't stop the future. You can't rewind the past. The only way to learn the secret . . . is to press play. Clay Jensen comes home from school to find outside his front door a mysterious box with his name on it. Inside he discovers a series of cassette tapes recorded by Hannah Baker - his classmate and crush. Only, she committed suicide two weeks earlier. On the first tape, Hannah explains that there are 13 reasons why she did what she did - and Clay is one of them. If he listens, Clay will find out how he got onto the list - what he hears will change his life forever. Perfect for fans of *The Fault In Our Stars* and *All the Bright Places*. 'There are 500 reasons why I love this book . . .' Jennifer Niven author of *All the Bright Places*. ## About Jay Asher

Jay Asher's bestselling debut novel, *Thirteen Reasons Why* has been adapted into a 13-part series on Netflix. He got the idea for the novel while listening to a museum audio tour - he was struck by the eeriness of the voice in his ear, a woman who described everything he was looking at, but wasn't there. His novels have been translated into thirty-seven languages.
