Book Synopsis:

Beverly Jarosz was a victim of one of the most horrific murders of the Cleveland, Ohio area. On December 28th, 1964, this sixteen year old high school junior was slain in her home in Garfield Heights, Ohio. Fifty-two years later, American CrimeCast - a True Crime Documentary Podcast, worked with Beverly's sister Carol Jarosz Bartos to tell her story. With this book we are proud to present the poetry of this beautiful, loved, and talented young 16 year old girl. May her life go on to live forever within her own words. All profit from this book funds the Beverly Jarosz Literary Award at Trinity High School, formerly Mary Mount HS, in Garfield Heights, Ohio - the school in which Beverly attended at the time of her murder.
