About Chelsea Monroe-cassel

CHELSEA MONROE-CASSEL is the co-author of the New York Times bestseller *A Feast of Ice and Fire: The Official Game of Thrones Companion Cookbook*. A lifelong artist and fan of fantasy, Chelsea discovered her love of interesting food during a year living abroad in Turkey. Like the literature and fictional

settings she loves, Chelsea's work is a synthesis of imagination and historical research. Applying her multifaceted creativity to that passion has led her to a career of transforming imaginary foods into reality. She greatly enjoys foreign languages, treasure hunting, history, and all things related to honey. She and her husband currently live in an old Vermont house with a retired hound and a sturdy Manx cat.
